

## 7.ročník věty 31 až 45

What is causing global warming?

Which is the cleanest form of energy?

My friend has climbed a lot of mountains.

Your granddad has never flown in a plane.

Have you ever seen a Shakespeare's play?

Have you ever been to Krkonoše?

When were you in Brno?

When did you read the book?

I have never gone to a summer camp.

My best friend went to Italy last year.

I didn't go to Italy last year.

What did you do in April?

What did you learn in March?

What do you want to know?

How long have you known it?
